

Lottery V1.0

## How to Play Lottery

SphynxSwap's Lottery is not only a good way to make stacks of SPHYNX, it's also loads of fun! This guide will walk you through getting involved in the Lottery.

The screenshot shows the lottery interface with the following details:

- Prize Pot:** 33,432 SPHYNX
- No. Matched:** 6
- Player Matched:** 2
- Next Draw in:** 0 h, 43 m
- Latest Winning Numbers:** 1, 16, 8, 9, 3, 4

## Buying Lottery Tickets

Buying tickets is easy. You just need a little SPHYNX though: each ticket costs approximately \$5 USD (the exact SPHYNX price is set at the start of the round). You can choose to click on "Buy Now" Button and enter the number of tickets you want to buy. Remember you get discount for buying more lottery tickets on Sphynxswap.

More Lottery you Buy more Discount you get.
